This is a nice spacious 3 bed 1 bath quad house set in a great part of los altos. Walking in the front gate you will find a good size front garden with off street parking, room for 2 cars. Inside the front door, you will find a good size lounge / dining area with a log burner and A/C hot and cold. There is an American open plan kitchen with a range of wall and base units plus a further utility room with washing machine etc. On the ground floor, you will find two double bedrooms and a family bathroom. Going up the stairs you will find a further double bedroom and a lovely large solarium with some great views. There is also a big communal; pool and gardens around the corner. This would make a great family property or an ideal holiday home with its great location, close to lots of amenities. The property is located between los Altos and Punta Prima and only a 5 min drive to the beach.
