This is a lovely two bed 1 bath top floor apartment, set in a very private gated community, with a massive solarium and several community pools, close to many amenities and just a short stroll to La Fuente commercial centre. Walking into the front door, you enter a good size lounge / dining area; it comes with full A/C hot and cold and there are sliding doors that take you onto a lovely open terrace area. There are two double bedrooms each with fitted wardrobes and full A/C, between the bedrooms you will find a lovely fully refurbished shower room with walk in shower and fully modern tiled floor and walls. Off the lounge, you will find a good size separate kitchen with a range of base and wall units with plenty of storage; the apartment comes with all white goods. Going up the internal stairs you come out to a wonderful very large roof solarium, this is the size of the whole apartment below and is bigger than the gardens on the ground floor by far; here you will find some great views over el presidente and beyond. This apartment has lots of bars, shops and restaurants just on the door step and La Fuente and...
