A stunning house from Sun Estates Spain. If you want to move into a house with absolutely nothing to do then this is the property for you, the owners have totally refurbished this house from top to bottom and everything is quality with no expense spared. The house consists of three double bedrooms, two bathrooms and two kitchen, the lower part of the house is self-contained and could be rented out either as a holiday let or long term. There is also a lovely sunny solarium with sea views, there is also solar panels for hot water storage. There are two entrances to this house, starting from the lower level. You walk into a lovely front South facing garden with newly laid synthetic grass, into the brand new white UPVC double doors. On entering the house, you will find a newly converted self-contained apartment consisting of 1 double bedroom, a lovely open plan kitchen and a modern walk in shower room, the whole area has new IVT expensive flooring, all newly decorated, brand new A/C and lots more. Going up the stairs to the ground floor level you will find a lovely large open plan lounge / dining area with brand new A/C h...
