Beautiful modern apartment with Sea Views. This 2 bed, 2 bath apartment is on the second floor of the very popular MonteSolana development. It is a corner apartment and benefits from open views overlooking the park area. The apartment has a fantastic wrap around terrace with an outdoor kitchen unit. This apartment is in immaculate condition. It has all modern appliances, ducted, centralised air-conditioning and underfloor heating in both bathrooms. The living area is extremely spacious, allowing for ample space for a large dining table. The apartment comes with it's own large underground parking space and storage unit. There is also a very convenient communal bicycle area in the garage. The communal areas of this well-sought after development are considered among the best in the area. Residents have a choice of 4 swimming pools, one of which is heated throughout the year. There is also a children's play area. The location of this development is superb, being walking distance to amenities and the famous La Zenia Boulevard.
