LOS ALCORES VILLAGES is a promotion that includes two different residential areas. Each one has its own characteristics, but with a common link: its privileged environment. The real estate complex offers an offer of 126 homes distributed in two types of construction: LOS ALCORES VILLAGES I and LOS ALCORES VILLAGES II. They are located in two different blocks, but share a central street that separates them from each other. Both follow a marked architectural style, the traditional Mediterranean. LOS ALCORES VILLAGES I, is a development made up of 72 homes, with a sober style, with decorative elements that give it its own character, with natural, ecological and sustainable stone ornaments. LOS ALCORES VILLAGES II, is made up of 54 wonderful rustic-style homes. Its aesthetic is reminiscent of the white villages of the Mediterranean coast, but with a renewed image. 3 bedrooms, 3 bathrooms plus basement, community pool, garage and storage room. Price from €163,000
