4 Bed 3 Bath Finca and Wooden Chalet in Torremendo with 55000m² of Land. **RENOVATION PROJECT:** Finca with 55.000m² of land, including 2 houses. Located outside of the village Torremendo facing south. The older finca is over 100 years old. The 55.000m² of land is at the moment being used as farm land for growing vegetables/fruit or left to mature. Plenty of space if you own horses or live stock. The plot has been drawn out by an architect showing the correct borders. Gated off at the front you have the wooden chalet to your left of about 110m² and the finca of about 85m² to your right. Both properties would need to be reformed. They have not been lived in for a number of years. Solar panels would also be needed for electricity. This will be 12 panels with a backup generator at a quoted price of €14,000. All cables and plumbing are done within the properties, and there is an area for parking cars off the road, fenced in for security. Finca – 2 bedrooms 1 bathroom. Open planned living room/dining room, kitchen (without units), patio area outside the front. Comes with the wooden beams on the roof for the rustic look....
