93m<sup>2</sup>

N/A

Very spacious fully reformed Townhouse for sale, located on the beachside and only 900m from the Mediterranean sea and Campoamor beach. The property has a huge terrace overlooking a very pretty pine forest with plenty of space for outdoor dining and sunbathing. Inside and on ground floor there is a very large lounge and dining room with patio doors leading outside to the garden providing plenty of natural light. Towards the rear of property there is a slick modern kitchen with breakfast bar along with a useful storage cupboard. The property also has a double bedroom complete with en-suite bathroom on the ground floor. Upstairs there is an impressive master bedroom complete with access to a private terrace overlooking the forest and garden. There is a third double bedroom along with the family bathroom complete with modern walk-in shower. The townhouse forms part of a well maintained private complex where home owners can enjoy the use of the communal swimming pools which boasts views towards the Mediterranean sea and beach.
