Immaculate Detached Villa in Central Quesada – Modern Luxury Meets Comfort Discover this exceptional detached villa in the heart of Central Quesada, perfectly blending contemporary design with practical functionality. Situated on a generously sized plot of approximately 1,200m², the property boasts a spacious build area of approximately 190m², offering ample room for comfortable living. Main Villa Highlights: Bedrooms and Bathrooms: The main house features three generously sized bedrooms and two modern bathrooms, designed for both comfort and style. Living Spaces: The villa's open-plan layout includes a spacious lounge, a sleek modern kitchen, and a dining area, all exuding elegance and functionality. A separate large utility area adds convenience to everyday living. Glazed Naya: A beautifully designed glazed Naya serves as an additional dining and sitting room, offering panoramic views of the garden and pool – the perfect spot to relax year-round. Modern Features: The home is equipped with central heating, air conditioning, and double-glazed tilt-and-turn windows, ensuring a comfortable and energy-efficient environment.
