Another fantastic property from Sun Estates Spain. This is a 1st floor 2 bedroom apartment in Eagles Nest, just a few minutes drive to Villamartin Plaza and the golf course. The property consists of two good size double bedrooms both with fans to ceilings and large windows, with the master overlooking the community pool. There is a large living / dining area with full A/C, hot and cold and an open plan kitchen with an additional utility room. There is also a family bathroom with full bath and shower over. Leading from the lounge outside to a nice sunny large wraparound terrace with further stairs that lead you up to a good size solarium. This is a lovely property that would be ideal as a holiday home or investment property given its location. These properties very rarely come on the market, so you might need to be quick to avoid disappointment.
