Having just finished a complete, high-end renovation, every detail inside this exceptional 5 bedroom, 2 bathroom semi-detached property has been meticulously curated using only the finest, high-durability materials. The ground floor layout offers beautifully styled, light-filled living areas and is perfectly optimised for the sun-drenched Spanish lifestyle, featuring brand-new pocket sliding doors that open completely to merge the bright, breezy interior with the private patio. The main house features four beautifully styled, light-filled bedrooms and a family bathroom, providing ample space and comfort for family and guests. Offering incredible versatility, a separate independent outbuilding comes complete with its own ensuite bedroom and bathroom—an ideal setup for a private guest suite, a quiet home office, or a dedicated wellness sanctuary. Modern energy efficiency is also seamlessly integrated into the design via a solar water heater. The outdoor space is a bespoke entertainment haven engineered for resort-style living. It features a heated private pool with integrated lighting, a fountain, a therapeutic ...
