In El Chaparral, a fully renovated single-storey bungalow, with planning permission confirmed by the Town Planning Department to build a second storey. A property ready to move into, with interesting potential for extension and appreciation in value.. . With a floor area of approximately 60 m2, the property was completely refurbished just three years ago, including the electrical and plumbing systems, flooring, windows, front door, smooth walls, a canopy, and kitchen and bathroom fittings, so it requires no further investment.. . The layout is comfortable and functional. It features a spacious entrance courtyard, a hall, a double bedroom with a walk-in wardrobe and natural skylight lighting, a spacious en-suite bathroom also with skylight lighting, a living room and a kitchen with space for a dining area.. . It faces east and, on the upper floor, the spacious sun terrace offers unobstructed views and the potential to be transformed into a pleasant year-round chill-out space, with the option to build a second storey. . . Situated in a quiet residential development (with no service charges), surrounded by gard...
