368m²

5,000m²

Two homes, one plot: a 368 m² country villa with a private annex, set on 5,000 m² of open countryside near La Torre Golf Resort. This is the kind of space that's genuinely hard to find on the coast: room to breathe, room for family, and room to grow. The main house holds four bedrooms and two bathrooms, including an en-suite master with dressing area, all wrapped around a bright American-style kitchen that opens onto the living and dining space. South-facing and full of natural light, with a wood burner for winter and air conditioning for summer. Step outside to a 5x10 m private pool, covered outdoor kitchen, and BBQ area, built for long Spanish evenings. Solar panels keep running costs low, and there's a separate storage room for tools and equipment. Then there's the annex: two further bedrooms and a bathroom, completely self-contained. Guests, extended family, or a rental income stream. It's yours to decide. Golf is five minutes away, Murcia Airport is fifteen. Behind the gates, it's quiet, private, and entirely your own.
