6,500m²

Step inside this masterfully reimagined detached country house, fully insulated inside and out and upgraded to the highest specifications. The light-filled lounge serves as an incredible relaxation hub, featuring a striking natural stone media wall and a built-in fire for cosy winter evenings. For effortless year-round comfort and security, the home boasts a brand-new roof, ducted hot and cold air-conditioning, windows with built-in shutters, and traditional security rejas. The ultra-luxury, high-end kitchen is styled in sophisticated matt dark grey with cream granite worktops, under-lighting, and premium integrated appliances—including a built-in coffee machine for your morning espresso. This stunning layout offers 3 spacious bedrooms with custom fitted wardrobes and a luxury bathroom tiled floor-to-ceiling with elegant his-and-hers sinks, a walk-in shower, and a standalone oval feature bath with floor standing taps. Outside, a private paradise awaits on a massive 6,500m² plot enclosed by new natural stone walls and dotted with established olive trees. You can soak up the Spanish sunshine by the new 6m x 4m s...
