This 1st floor apartment is brand new to the market and in a great position for sun seekers with a large fully furnished solarium and front terrace overlooking the communal pool, 2 bedrooms, 1 family bathroom with bath and shower, good size lounge with satellite TV and wi fi, the apartment has everything in it, just like home from home except the great weather comes with it. We have been working on the coast for the last 25 years to make sure all our travelers have a fantastic holiday, we are based just down the road in villamartin plaza and if you need any help one of our friendly staff will always be on hand, we will meet and greet you at the property or can arrange a pick up for you if required. This neighborhood is the best around the Costa Blanca, with its 3 x 18 hole golf courses, miles of sandy beaches, lots of restaurants, bars and shops and the fantastic Zenia boulevard for the wife's shopping trips and the much loved water park for the kids just up the road in Torre Vieja.
