Huge villa on large, private corner plot in Las Filipinas, Villamartin. The villa, which is built on three levels, is suitable for example for bed & breakfast or larger families, for holidays or all year round. There are 4 world-class golf courses, shopping and a wide selection of restaurants at a comfortable distance. We reach the property via a pedestrian gate or a wider gate to park the car on the site. There is plenty of room to build a garage if needed. In the garden is a private pool. On the first floor is a spacious wrap around terrace with views across the green area and to the sea. We enter the house and arrive in the hall. Adjacent is a very spacious living room with open plan dining area and well-equipped kitchen. On this floor there is also a WC. We go upstairs and find a spacious bedroom and a bathroom. On the ground floor there are 5 bedrooms, 2 bathrooms, lots with storage room and laundry room. The property is sold furnished.
