This is a nice 2/3 bed house on one level that needs some work to freshen up. The property comes with a good size solarium with good views over the salt lakes and there is a large dome storage unit on the roof, there is also a small front garden and a good size rear garden. Inside the property, you will find a good size lounge dining area with AC, an American open plan kitchen with new high gloss cupboard doors, white good. There are two main double bedrooms with A/C and a further room that could also be used as a 3rd double bedroom, there is also a walk in family shower room. This could be a lovely property and is ideal for someone to put his or her own stamp on, especially at this give away price. There are plenty of amenities just a few minutes' drive away. The owners have lived in this property for the last several years; we think it could be a great house to live in permanently or a lovely holiday home getaway.
