This is an immaculate two-bed, one bath 1st floor apartment on Lomas del golf. This property looks directly over one of the communal gardens and pools, there are several on this urbanization that can be used. The property has gone through a complete renovation and everything is almost brand new including the kitchen, shower room and complete new tiling to all the floors throughout. As you walk up the steps, you will come to the sunny front terrace that looks directly over the pool and garden area, inside the front door you will walk directly into a lovely large modern lounge / dining area with quality furniture. There is a brand new high gloss white open plan American kitchen with a range of base and wall units, a breakfast bar that separates the lounge plus all the white goods including, new electric oven and hob fridge freezer and washing machine. As you walk through you will find two double bedrooms with storage wardrobes to the main bedroom and a totally refurbished shower room with shower cubicle and power shower. This property is just a 15 min walk or a 1-minute drive to villamartin plaza and the golf course...
